## A Note From the Pastor ...

Greetings Church family,

As we reach, teach, and transform lives, let's not forget that **Man Lives Off Every Seed of The Word!** The biggest threat to the enemy is the seed of God's Word being planted into your life. Once you rest in the presence of Christ, you are in position to begin to receive and respond to the Word of God. Nothing will manifest in one's life if unbelief is there.

However, once you receive, the response of belief with faith will initiate the creation of God's Word to perform all that it was meant to accomplish in the natural. God's seed will always develop, exceed and extend past your needs so you can be a blessing to others.

Yours in Christ

*Pastor Terrell Taylor*
