The Park Windsor Baptist Church family has demonstrated a commitment to our youth through the development of the Charles Harvey Fisher Memorial Scholarship Fund. Over the years, our Scholarship Program has provided motivation and financial assistance to many of our high school graduates.

The Scholarship Program is one way that Park Windsor supports our graduates as they prepare for a viable future. Our desire is that this program will continue to foster and provide both motivational and financial assistance to the youth of our church family.

Our children deserve the very best that we can provide. We are therefore asking you to help us make every year our best by your continued active participation in the support of the Charles Harvey Fisher Memorial Scholarship Fund. Please share our vision by becoming a member of one of the following groups.
